## À propos de nous.

It is Turkey's largest hydraulic and pneumatic cylinder manufacturing company. All production processes, except heat treatment, such as hard chrome plating, honing, deep hole drilling and welding, which have a honing capacity from 3 m diameter to 23 m stroke, are carried out in-house. The company operates in an area of 43.000 m<sup>2</sup>, 26,000 m<sup>2</sup> of which is closed.
