### À propos de nous.

Takdir Automotive was established in 2000 with two partners in a 50 m2 shop in Zafer Sanayi, in order to carry out repair and maintenance works in the vehicle-mounted manufacturing industry. Since the day it was founded, it has the justified pride of making a name for itself in the sector without compromising its understanding of quality products and services. As of today, it increased the factory area, which is currently 750 m2, to 1500 m2 in 2009. With our experience dating back to 1987 and with an expert staff in the TRAILER-dumper industry, we work with a constantly rising success rate, with our quality products, workmanship and the trust we give you. Attaching importance to customer satisfaction and quality production, TAKDİR TREYLER adopts the principle of meeting the increasing logistics needs in this sector with quality and
