Hakkımızda

Our company is in Konya, one of the big manufacturing cities of Turkey. Our company; Communication, Machine spare parts, Medical spare parts, Otomotive spare parts we have made different productions. we are a manufacturer. We are waiting for your requests in these sectors. Our company established in 2011 as a private company by Serhat Semih SAHAR. Has completed incorporation process in 2017 as a result of adopted as corporate philosophy "continuously improvement" policy. During this time achieved our goal of "continuously improvement" in product range, production operations, production control systems and production systems; became a rare company in the sector with its made investments and on the diversity of production. In this process Utak Machine Firm continues production activities with their colleagues for
